

**DuPont Chambers Works FUSRAP Site
Restoration Advisory Board**

MEMBERSHIP APPLICATION

Details about Restoration Advisory Board(RAB) Membership:

Generally the community members of the RAB vote to add new RAB members once a prospective member has attended several meetings and shows continued interest in joining.

RAB members are volunteering to serve a two-year term and attend all RAB meetings. Duties and responsibilities will include reviewing and commenting on technical documents and activities associated with the Defense Environmental Restoration Program at the DuPont Chambers Works FUSRAP site. RAB Members are expected to be available to community members to convey information about the cleanup process and to communicate information about community concerns back to the RAB. Participation in the RAB is strictly voluntary and members will not be financially compensated for their service. Priority for RAB membership will be given to local residents who are impacted/affected by the DuPont Chambers Works FUSRAP site.

Those who do not serve directly on the Restoration Advisory Board can still participate in RAB activities. Interested members of the community will be included on the mailing list and invited to attend all meetings, which are advertised in *Today's Sunbeam* and are open to the public. Technical documents reviewed by the Restoration Advisory Board will be made available to the public through the information repository and the project web site. The public will be able to comment on the technical documents either in writing to the U. S. Army Corps of Engineers or at the RAB meetings during a time set aside for public comments and input.

Name:			
Address:	City:	State:	Zip Code:
Phone: (day)	Phone: (evening)	E-mail:	

1. Are you affiliated with any group related to environmental restoration activities? If so, please list the group(s) and your position, if applicable.
2. Briefly state why you would like to participate on the RAB.

3. What experience have you had working as a member of a diverse group with common goals?
4. What is the name of the residential area where you reside?
5. How did you hear about the Restoration Advisory Board?

By submitting this signed application, you:

- Are aware that being a Restoration Advisory Board member would involve a set time commitment (Approximately 6-10 hours annually);
- Understand that being a Restoration Advisory Board member entails a willingness to work cooperatively with other Board members to ensure the efficient and effective use of time;
- Understand that serving on the Restoration Advisory Board will be voluntary and Board members will not receive compensation for this service; and,
- Understand the following Privacy Act information regarding providing your name, address and telephone number for this application.

<p style="text-align: center;">PRIVACY ACT NOTICE</p> <p>Authority: 10 U.S. Code (USC) 2705 and 42 USC 9620 (f), state and local participation in cleanup of federal facilities.</p> <p>Principal Purpose: To identify members of the local community who are interested in participation in the Restoration Advisory Board.</p> <p>Routine Uses: The requested information will be used to develop a list of interested persons from which community members of the Restoration Advisory Board will be selected. The information will also be used by the U. S. Army Corps of Engineers to contact the individuals who are selected.</p> <p>Disclosure of the requested information is voluntary. Failure to provide all the requested information may prevent selection to the Restoration Advisory Board.</p>
